présentation

Learn more about the job of Humanitarian Programme Manager :

It can be defined as a set of activities planned and undertaken by an Aid organisation, directly or by mean of partnerships with other organisations, in a specific geographical area, over a specific timespan, in pursuit of specific objectives to address identified humanitarian needs. To undertake the activities (often organised in a set of related projects), human, material and financial resources are required, as is the analysis of the program's environment and surrounding actors.

The MSc in Humanitarian Programme Management aims at training managers for the humanitarian and development sector (NGO, non-profit or charitable organisations, foundations, etc.).

Les points forts de la formation

- Group work
- Real life simulations
- A workbased learning in the field

En suivant cette formation, vous obtiendrez

- A five-year higher education diploma. This MSc is accredited by the Conférence des Grandes Ecoles and is worth 90 ECTS.

APPLICATION

1. Online application

Fill-out the electronic version of the application form by clicking on the "I register" button in the gray button below. You will be asked to upload your CV and cover letter.

Your application will be examined by Bioforce staff upon receipt of the 60€ selection fees (we will acknowledge receipt of your payment via email). (Payment is possible by bank transfer, cheque or postal order payable to Bioforce.) Submitted applications will be examined by Bioforce and Grenoble Ecole de Management staff based on completed application package, pre-requisites, expectations for the training, etc. Within 2 months upon receipt of your payment, we will contact you by email to inform you about the next steps.

Your application is accepted until June 30th for the year and from October 1st for the next year

2. Interview (if needed)

Should Bioforce and Grenoble Ecole de Management staff members require further information about your application, an interview can be organized (remote or in-person).

3. Registration

Selected candidates will receive an admission email by GEM.

JOBS AND CAREER PROSPECTS

Levels of responsibility vary considerably and depend on your prior experience and skills, as well as the humanitarian context and the employing organisation. Bear in mind that you usually take on more responsibilities over time. Some examples of positions Bioforce graduates now hold in the aid sector, showing various levels of responsibility and leadership:

First level: proposal writer/specialist, reporting officer, monitoring officer, project officer, programme officer

Intermediate level: head of project, budget, planning and reporting manager, monitoring and evaluation manager

High level: project coordinator, programme coordinator, field coordinator, head of office, regional coordinator, head of mission, country director, desk, technical coordinator.

80% of our students find work in the aid sector after completing their training.
